

URC ALL TIME FEATURE WIN STATISTICS (1948-2022)

The United Racing Club All Time Feature Winners and All Time Track Lists have been compiled by Program Dynamics. INC. (PDI) and Bert Wojcik

The statistical integrity of this work is such that verifiable dates exist for each victory cited by PDI before 2017. After 2017 victories and dates have been cited on the URC My Race Pass (MYP) page. Every available effort has been made to certify the accuracy and completeness of the information.

It will always remain possible that unknown past events may have caused inaccuracies, controversies and/or omissions. To this extent, this list should be considered a work in progress; comments and questions are welcomed.
